STRENGTHEN
FUTURES

The Jefferson Teen Center has been the only dedicated teen space in the Tri-Area for 34 years, providing a vital environment where young people can decompress, build connections, and access resources.

This is the first year we're offering **logo placement on Teen Center swag** and **official sponsor yard signs**, created in response to last year's state and national funding cuts that resulted in a loss of **\$44,000**.

When resources disappear, community steps up. Sponsor the Teen Center and help keep stability and connection alive for rural teens.

"The Teen Center provides a cozy place with yummy snacks so I can unwind after school before going home" - Age 13

"The Staff take the time to listen and get to know us. One of the staff here is the first person who saw me for me" - Age 12

"It's (JTC peer support groups) have helped me with my mental health because I learned I'm not alone" - Age 17

You know your product best — if you have a creative way to support teens, we are absolutely open to it.

Why Local Sponsorship Matters

- *Collect your yard signs each year* — a growing display of your commitment to youth, always designed by teens.
- *Community Visibility* — families and teens see your support daily in their homes.
- *Youth Empowerment* — teens know local businesses are invested in their success.
